

365 challenge

with Carina Gardner

Choose one of these options to participate! And be sure to check the challenge back often to see what I am doing with it!

1. Take a picture everyday. Create a layout every day (which will come to 31 layouts this month, 31 photos).
2. Take a picture everyday. Create a layout each week (which will come to 4-5 layouts this month, 31 photos).
3. Take a picture series once a week (5-10 photos on one day). Create a layout
4. Take a picture once a week. Create a layout for each week (which will come to 4-5 layouts, 4-5 photos).
5. Take a picture series once a month (5-20 photos in one day). Choose the day and possibly a theme and create 1-5 layouts of this photos binge! (this one will vary).

If you would like, you can also use the daily theme (in the calendar) or a monthly theme to inspire you! See some of the suggestions below! The point is for you to have FUN!

you could also try these

- * Take a picture everyday with a different letter of the alphabet
- * Take a picture everyday using the day of the month as the number of objects/people in the photo (on the 1st, one object, on the 22nd, 22 objects)
- * Focus on a color the whole month

January 2010 themes

great if you need inspiration if you are taking a photo everyday
