

Carina Gardner's Digital Scrapbooking Products

Thank You

I want to thank you for purchasing one of my digital scrapbooking products from Design House Digital (<http://www.designhousedigital.com>).

It's a pleasure to get to do what I do. As you probably already know, my work can be found in a number of mediums including paper and fabric. I also teach online classes. To see the projects that I am currently working on, or to find out where all my designs can be found, please visit my studio site at <http://www.carinagardner.com/studio/index.html>. Want the most up-to-date information on me? Visit my blog at <http://www.carinagardner.com>.

Thanks again, and I hope you enjoy!
